

In the Morning I Wake Up

**In the morning I wake up,
It's a brand new day,
I go to school so I can learn,
And then it's time to play!**

**In the morning I wake up,
I jump out of my bed,
I take my shower,
Then I comb my hair,**

**In the morning I can't wait to go,
I'll learn all there is to know,
I can't wait to go to school,
In the morning I'll see all my friends,
We can play and laugh again,
I can't wait to go to school.**
