

Show Me

**Where is your mouth?
Where are your ears?
Where is your nose?
I really want to know,
Show me the parts of your face.**

**Where are your eyes?
Where is your smile?
Where is your nose?
I really want to know.
Show me the parts of your face.**

***Let's make silly faces,
Laughing all the while,
Let me see that silly face,
Then let's see you smile.***

**Where are your arms?
Where is your head?
Where are your elbows?
Show me your hands.
Show me your smile once again.**

**Where are your legs?
Where are your feet?
Where are your knees?
Won't you show me please?
Show me your smile once again.**
